About Us

Belper Sub-Aqua Club was formed in 1973 and is affiliated to the British Sub-Aqua Club. It currently has around 25 members of mixed gender, age and qualification. The Club meets every Wednesday evening, 8:00 - 9:00 at Belper Sports Centre swimming pool and afterwards at the Greyhound Inn on Whitemoor Lane.

Diving takes place at locations all around the British Isles and is usually arranged on weekends from February to November. Foreign trips are also arranged.

The Club has two 6.25 meter rigid inflatable boats (RIBs) each with 150 hp outboard engine, VHF radio, GPS navigation and echo sounder. Safety equipment in the form of distress flares, first aid kit, radar reflectors and emergency breathing oxygen is also carried on each boat.

Training

Full diver training is available from total beginner to Advanced Diver level. PADI or SAA divers welcome, courses can be run to suit individual needs. Refresher courses can also be organised. Beginner training starts in the indoor swimming pool and progresses at a pace to suit the needs of the trainee. Aqualung cylinders, demand valves, buoyancy devices and weight belts are provided by the club for members undergoing initial training inclusive in the membership fee.

“Have a go” sessions can be arranged by appointment for individuals or for small groups. To learn to dive or attend a “Have a go” session you need to be over 16 years of age (unless

accompanied by an adult member) and be able to swim.
